# UNIVERSITY CORE CURRICULUM

---

## Area I: Mathematics and Natural Sciences

- Two semesters of mathematics.
  - At least one semester must be a calculus course (MA 0016, MA 0119, MA 0120, MA 0145, MA 0146, MA 0171, MA 0172, MA 0221, MA 0245, or MA 0273).
- Two semesters of a natural science.
  - Any two courses in biology, chemistry, or physics, as well as AY 0110, AY 0115, and PY 0261, fulfill this requirement. Psychology majors may not use PY 0261 to fulfill this requirement.

## Area II: History and the Social and Behavioral Sciences

- Two semesters of history: HI 0010 plus one 200- or 300-level course.
  - CL 0115 and CL 0116 may be used to fulfill this requirement.
- Two semesters of anthropology (except AY 0110 and AY 0115), communication<sup>1</sup>, economics, politics, psychology (except PY 0261), or sociology. The two courses may be in the same department or two different departments. Also includes ED 0241 for Certificate students only.

<sup>1</sup> The following communication courses may be used toward the core requirement in Social and Behavioral Sciences: CO 0100, CO 0130, CO 0200, CO 0202, CO 0220, CO 0233, CO 0238, CO 0239, CO 0240, CO 0241, CO 0242, CO 0246, CO 0248, CO 0323, CO 0338, CO 0340, CO 0341, CO 0343, CO 0347, CO 0348, HS 0200.

## Area III: Philosophy, Religious Studies, and Applied Ethics

- Two semesters of philosophy: PH 0101 plus one 200-level course.
- Two semesters of religious studies: RS 0101 plus one 200-level course.
- One additional course in philosophy, religious studies, or applied ethics.

## Area IV: English and Visual and Performing Arts

- Three semesters of English: EN 0011, EN 0012, plus one 100-level English literature course.
  - Writing courses (ENW) do not fulfill the core literature requirement. Selected courses offering literature in translation may also fulfill this requirement; see listings under Classical Studies and Modern Language and Literatures.
- Two semesters of Visual and Performing Arts.
  - One semester must be in the area of art history; film, television, and media arts history; music history; or theatre history. The other semester may be selected from any of the three-credit course offerings in visual and performing arts.

## Area V: Modern and Classical Languages

- Two semesters at the intermediate level of any languages listed among the offerings of the Department of Modern Languages and Literatures or the Classical Studies Program.

	11:30am Sophomores (2020)
	12:30pm First Years (2021)

### SCHEDULE OF ONLINE REGISTRATION ACCESS FOR EACH CLASS

<b>Start Time</b>	<b>Last Name</b>
9:20am	Spring Varsity Athletes
10:50am	L-R
12:20pm	S-Z
1:50pm	A-D
3:20pm	E-K

Note: These alphabetical groupings have been reversed from Fall 2017.

# UNDERGRADUATE REGISTRATION PROCESS

---

- Students with a financial or Dean of Students hold will not be able to register.
- Students must meet with their faculty advisor prior to registration to discuss course selection and to receive their PIN. Your faculty advisor is listed on your degree evaluation.
- **Students are NOT excused from class to register. This includes cutting class or leaving class early.**
- Online registration will proceed by student class attribute.

- For **full time** students, class attributes are determined by their anticipated year of graduation:

Senior (ASR)	Class of 2018
Junior (AJR)	Class of 2019
Sophomore (ASO)	Class of 2020
First Year (AFR)	Class of 2021

- For **part time** matriculated students, class attributes are determined as follows, by the number of credits earned and in progress:

	College of Arts & Sciences, Dolan School of Business, SOE Computer Science majors	School of Engineering (except Computer Science majors)	Egan School of Nursing
Senior (ASR)	90+	92+	99+
Junior (AJR)	60-89	60-91	64-98
Sophomore (ASO)	25-59	27-59	28-63
First Year (AFR)	0-24	0-26	0-27

For example, a part time DSB student with 54 earned credits who is currently enrolled in 9 credits would be considered a junior for registration purposes, with a total of 63 credits.

- Students will register online in alphabetical groupings beginning at 10:50am on their designated day. Spring in-season varsity athletes will precede the alphabetical groupings, starting at 9:20am.
- The online registration system will be active for each class until 11:59pm. Online registration access will then be turned off for that class until Monday, November 27, when add/drop begins.
- There will be one day between each class registration for departments to review registrations and for students who missed their registration to register in person in the Registrar's Office.
- Students will register for major, minor, core, and elective courses on their class registration day and are limited to a maximum of 20 credits. Most courses will be open during the online registration period. Some departments (with courses that require specific populations) may incrementally increase the maximum number of spaces in some of their courses by class.
- The University reserves the right to cancel courses for which there are insufficient registration or change time codes or professors as deemed necessary.
- **If you choose to drop a class and later change your mind, or if you are removed for non-payment, you will *not* be guaranteed a place in the same class.**

## Automatic Rollover Courses

Automatic Rollover Courses are full-year course sequences that continue from the fall semester to the spring semester, typically with the same professor and the same time code. Everyone in the class is rolled, unless prevented by a registration hold. If you wish to change your rollover course, you may change it during your registration period on a space available basis. Department Chairs may make changes in rollovers as necessary. Instructors will announce specifics in class concerning whether their class is a rollover for the spring and what the rollover section will be.

Note: If you have a financial or Dean of Students hold at the time rollovers are processed, you will not be rolled into the next class in the sequence.

The following courses are automatic rollovers:

- BI 0107-0108 (lecture and lab)
- CH 0111-0112 (lecture only)
- EC 0011-0012
- EN 0011-0012
- MA 0145-0146
- MA 0171-0172
- Modern Languages:
  - Arabic, Chinese, French, German, Italian, Japanese, Portuguese, Russian, Spanish
  - 0110-0111
  - 0210-0211
- PS 0115-0116 (lecture and lab)

## Degree Evaluation on the Web: Degree Works

All matriculated undergraduate students have a degree evaluation online showing the requirements of their program, including core, majors, and minors. To run a degree evaluation from **my.fairfield.edu**, search and click on the Degree Evaluation task:

*Students should print a degree evaluation and bring it with them when they meet with their advisor, or be ready to display it on their personal laptop or tablet device.*

## Independent Study

Independent studies are available in most majors and programs in the College of Arts and Sciences. Students wishing to pursue an intensive research or other academic experience must consult first with a sponsoring faculty member.

## Internships

Internships provide the opportunity for practical experience in a career field related to a student's major. Most departments and programs in the College of Arts and Sciences offer credit for internships in appropriate agencies and business firms in Fairfield, nearby communities, as well as New York City and New Haven. Majors who wish to take advantage of these opportunities should consult their department chair or program internship coordinator about eligibility requirements and other details.

Please visit [fairfield.edu/internships](http://fairfield.edu/internships) for more information.

## New Courses

Several new courses have been approved and will be offered for the first time in Spring 2018. Course descriptions for these and all other courses are available by clicking on the course title in XE Online Registration.

## Online Courses

All full-time students are eligible to enroll in **one** online course per semester without needing prior Dean's Office approval. First-year students may not enroll in online courses during their first semester.

- Part-time students are not restricted to one online course. Exceptions to the one-course limit for full-time students may be made only in extenuating circumstances and must be vetted through the academic dean.
- Please be aware that some online courses are condensed (only five, six, or seven weeks in duration) and therefore rigorous. Online courses often have irregular start and end dates (sometimes beginning at the halfway point of the semester). As with semester-long lecture-based courses, class enrollment is firmly capped, and availability may be limited.

## Waitlist Courses

The waitlist for courses will be turned on at the beginning of online registration, except for "rollout" courses with maximums that are increased incrementally.

- When a space becomes available in a class, the first student on the waitlist will be notified via their University Gmail account with instructions on how to register for the waitlisted class. **They will have 24 hours from the time the email is sent to register for the class.** If there is a conflict in their schedule, the student will have to resolve that issue before registering for the waitlisted class. If the student fails to register for the class by the deadline stated in the email, they will be removed from the waitlist for that class.
- Waitlists and the process of notifying students will run from Monday, November 27, through Friday, January 12. During this period, the Registrar's Office will not honor write-ins from instructors for closed courses. The electronic waitlist will be the only mechanism for filling available openings in closed courses. After January 12, students may register for classes with open seats on a first come, first served basis. During the Add/Drop period of January 16-22, the Registrar will accept write-ins from instructors for closed courses with the approval of the appropriate department chair and/or assistant dean.

## Directions for Banner XE Online Registration System

The student registration system is accessed through **my.fairfield.edu**. Every student has an account on this system. If a student needs assistance with their NetID or password, they should contact the ITS Help Desk at 203-254-4069.

After logging in to **my.fairfield.edu**, click on the Course Registration task:

Please visit **fairfield.edu/xc-registration** for an overview and highlights of the new registration system.

**Remember to add labs when necessary.** If a student does not have a computer with Internet capabilities, they can use one in the library, CNS 301, or DSB 107. If a student needs assistance with registration, they should contact the Registrar's Office at [registrar@fairfield.edu](mailto:registrar@fairfield.edu). They *should not* call the ITS Help Desk for non-technical issues.

**Remember, any student with a Financial or Dean of Students hold will not be allowed to register.**

# SERVICE LEARNING

Service Learning is a kind of experiential education that connects classroom learning with community service. In collaboration with community organizations, students learn about and apply tools of the academic discipline and specific course concepts in their service experiences. This combination enhances academic learning and civic awareness while also providing a meaningful service to and with the community. Course credit and grading are for the learning not for the service. The service activities for the course are similar to the readings, lectures, class discussions and other assignments; all are contexts for student learning.

Courses will appear with the following attributes in the notes column of the schedule of classes:

- SERL** Service Learning: All students in the course are required to participate in service learning.  
**SERO** Service Learning Option: Students have a choice to participate in service learning as a final project and/or in lieu of another comparable project.
